

## AMERICAN BELGIAN TERVUREN CLUB INC.

LISA A. LANE — RECORDING SECRETARY  
729 OLD LOGGERS WAY, SAINT AUGUSTINE, FL 32086

The Board of Directors of the American Belgian Tervuren Club recommends testing of Eyes, Elbows, Hips and Thyroid for all Belgian Tervuren. We feel that these recommendations will result in a healthier population of our breed.

Sincerely,

Lisa A. Lane  
ABTC Recording Secretary
