**Regulation Revision to Chapter 1. Section 6. of the
[AKC® Herding Regulations](#)**

This revision is issued as a supplement to the *AKC Herding Regulations* based upon the February 2014 approval by the AKC Board of Directors and taken from the February Board Meeting Minutes.

This change will appear in the book upon the next reprint.

Allow Herding Clubs to Decide if the Event Secretary May Enter

The Board VOTED to change the *Herding Regulations*, Chapter 1, Section 6, to allow clubs to decide if the herding event secretary can enter a herding trial hosted by the club. Prior to this change, event secretaries could enter herding tests but not herding trials. This change will become effective July 1, 2014.
