Championship Point Report Form - Herding

Event Number _____

This form is to be filled out when your event has more than one division of Advanced Classes.

The scores from all Advanced classes are combined and sorted in order (from highest to lowest). A dog which qualifies in more than one Advanced class is credited and listed only once, with its highest score. This includes all dogs in the Advanced classes, not just the dogs with HX titles. The results are recorded below. Additional dogs can be recorded on the back of this form. This list of scores will be used to determine the number of championship points awarded to the qualifying dogs, based on the published point schedule.
