PROPOSED IRISH RED AND WHITE SETTER STANDARD

GENERAL APPEARANCE
The Irish Red & White Setter is bred primarily for the field. The standard as set out hereunder must be interpreted chiefly from this point of view and all Judges at Bench Shows must be encouraged to judge the exhibits chiefly from the working standpoint. The appearance is strong and powerful, well balanced and proportioned without lumber; athletic rather than racy with an aristocratic, keen and intelligent attitude.

SIZE, PROPORTION & SUBSTANCE
Dogs are 24% to 26 inches tall; bitches are 22% to 24 inches tall. The length of the body from point of shoulders to base of tail is slightly longer than the height at the top of the withers. Bone is moderate in proportion to size.

HEAD
Expression - The gentle expression displays a kindly, friendly attitude. The eyes are dark hazel or dark brown; round, with slight prominence and tightly fitting eye rims. The ears are set level with the eyes, well back, lying close to the head.
Skull - The skull is broad in proportion to the body and slightly rounded without showing an occipital protuberance. Stop - The stop is distinct, but not exaggerated.
Muzzle - The muzzle is clean and square. The jaws are of equal or nearly equal length. Bite - A scissors bite is ideal; a level bite is acceptable.

NECK, TOPLINE & BODY
Neck - The neck is moderately long, very muscular, but not too thick, slightly arched, free from all tendency to throatiness. Topline - The topline of the dog, from the withers to the croup should be level, not sloping. The croup should be well rounded and sloping slightly downward to the tailset. Body - The body is strong & muscular with a deep chest and well sprung ribs. The back is very muscular and powerful. Tail - The tail is of moderate length, not reaching below the hock, strong at the root, tapering to fine point; no appearance of ropiness and carried level with or below the back.

FOREQUARTERS
Angulation - The shoulders are well laid back. Elbow - The elbows are free, turning neither in nor out.
Legs - The forelegs are straight and sinewy, well boned, with strong pasterns. Feet - The feet are close-knit with plenty of feathering between toes.

HINDQUARTERS
The hindquarters are wide and powerful. Legs - The legs are of strong bone, well muscled and sinewy. The thighs, from hip to hock, are long and muscular. The stifle is well bent. The hock is well let down and turns neither in nor out, hocks of moderate length and strong. Feet - The feet are close-knit with plenty of feathering between toes.

COAT
Long silky fine hair called “Feathering” is present on the back of the fore and hind legs and on the outer ear flap, also a reasonable amount is on the flank extending onto the chest and throat forming a fringe. All feathering is straight, flat and not overly profuse. The tail is well feathered. On the head, front of legs and other parts of the body the hair is short, flat and free from curl but a slight wave is permissible.

COLOR
Acceptable colors are: base color is white (iridescent) with solid red patches (islands of rich red color). Flecking but not roaning is permitted around the face and feet and up the foreleg as far as the elbow and up the hind leg as far as the hock. Excessive roaning, flecking and mottling on any other part of the body is not desirable.

GROOMING
The trimming of an Irish Red and White Setter should be kept to a minimum, maintaining a neat natural appearance and not to be shaved with clippers. Light trimming with thinning shears is allowed. Under the ears, tail, pasterns and hocks may be trimmed for neatness. Feet may be cleared of hair including the bottom and around the edges leaving hair between the toes. No other trimming is allowed including the whiskers which shall remain intact.

TEMPERAMENT
They display a kindly, friendly attitude, behind which is discernible determination, courage and high spirit.

FAULTS
Any departure from the foregoing standard is considered a fault and the seriousness of the fault is in exact proportion to its degree.

CONFORMATION JUDGES
Letters concerning judges and provisiona l judges should be addressed to the Judging Operations Department at PO Box 900062, Raleigh, NC 27675-9062. Letters concerning Agility, Obedience, Rally, Tracking, and VST applicants should be addressed to the Companion Events Department in North Carolina.

The American Kennel Club will, at the request of a judge or judge applicant, provide that individual with copies of letters received regarding their judging qualifications. As a result, it should be understood that any such correspondence will be made available, upon request, to the judge or judge applicant.

It is the responsibility of all Conformation and Junior Showmanship judges to notify the Judging Operations Department of any changes or corrections to their address, phone, fax or emails. These changes are very important because they affect your judges’ record, the web site and the Judges Directory. Please notify Judging Operations by email at judgingops@akc.org.

The Board reviewed the proposed 2016 Budget. There was an in-depth discussion of the budget.
The budget was amended so that the budget revenue in the Events and Judging Operations area for 2016 was to equal the projected revenue for 2015. Following a motion by Dr. Garvin, seconded by Mr. Feeney, it was VOTED (affirmative: Mr. Feeney, Dr. Garvin, Mr. Kalter, Mr. Ashby, Ms. Cruz, Mr. Dolk, Mr. Wooding, Mr. Arnold, Mr. Menaker, Mr. Powers, Dr. Davies; opposed: Mr. Gladstone, Dr. Battaglia) to approve the 2016 budget.

JUDGING OPERATIONS
Doug Ljungren, Tim Thomas, and Patricia Proctor, AKC staff, participated in this portion of the meeting. Patricia Proctor, AKC Senior Field Representative, reviewed the duties of the AKC Conformation Field Representatives on the day of the show. This included their work with the Show Chair, judges, the Fancy, new exhibitors, club members and stewards. It included a description of the multiple reports that had to be filed for judging observations, interviews, show wins, test results, show hearings, reinstatement committee reports, etc. Also addressed were the preparation, clinics, and club speeches, etc.
The Board also discussed the need to support our Clubs and the need for active club support and development by AKC. This discussion will continue into 2016.

EXECUTIVE SECRETARY
Mari-Beth O’Neill, AKC Staff, was present for this portion of the meeting.

Recognition of the Turkish Kennel Club, a.k.a. KIF (Köpek İrkları ve Kinoloji Federasyonu)
The Board reviewed a request for recognition from the Turkish Kennel Club. The Turkish Kennel Club was formed in 2006 and shortly after that became an FCI contract partner. The Turkish Kennel Club became an FCI Associate Member earlier this year, and they register over 3,000 dogs annually. Their registration rules and procedures exceed AKC requirements. Following a motion by Mr. Arnold, seconded by Mr. Ashby, it was VOTED (unanimously) to add the
Turkish Kennel Club to the list of registries with pedigrees accepted for AKC registration.

**Barbet - Recommendation to Advance to Miscellaneous**

The Board reviewed a Sport Services department recommendation to approve the Barbet to advance to the Miscellaneous. The Board of Directors approved the Barbet to be eligible for recording in the Foundation Stock Service® (FSS®) program with a Sporting designation in 2007. The Barbet Club of America has met the requirements of the Recognition of New Breeds Policy approved in January 2004 by the Board of Directors. Following a motion by Dr. Battaglia, seconded by Mr. Arnold, it was VOTED (unanimously) to advance the Barbet to the Miscellaneous Class effective January 1, 2017. The Barbet Club of America is designated as the Parent Club for the breed.

**Irish Red and White Setter Proposed Breed Standard Revision**

The Board reviewed proposed revisions to the breed standard for the Irish Red and White Setter as submitted by the Irish Red and White Setter Club of America (IRWSCA). Revisions are proposed to the following sections of the breed standard: SIZE, PROPORTION & SUBSTANCE, HEAD and COLOR. The current standard was approved by the AKC Board on October 19, 2009. In accordance with the procedures for a breed standard revision, the proposed revisions will first be published on the Secretary’s page for comment. Following a motion by Dr. Battaglia, seconded by Mr. Powers, it was VOTED (unanimously) to approve the publication of the proposed revisions.

**COMPANION & PERFORMANCE**

Doug Ljungren, AKC Staff, participated in this portion of the meeting.

**Agility Grand Champion**

The Board reviewed a recommendation to create a new title called Agility Grand Champion (AGCH). This prefix title is designed to recognize the lifetime achievement of dogs that excel across all classes in the AKC agility program. The AGCH title will add value to the FAST, Time 2 Beat, Premier Standard and Premier JWW classes. These classes currently are not part of the Master Agility Championship (MACH) or Preferred Agility Champion (PACH) titles. To earn the AGCH title, the following number of qualifying scores must be earned at the highest level of these classes: Standard & Jumper with Weaves – 100 each; Fast and Time 2 Beat – 75 each; Premier Standard and Premier JWW – 50 each. These qualifying scores may be earned from either the Regular or Preferred classes or a combination of both these classes. Qualifying scores will be grandfathered.

This title will start to be awarded on July 6, 2016.

**Modification to Grooming Space Policy**

The Board reviewed an Event Operations recommendation to modify the Board Policy on Grooming Space so that clubs are not required to submit a grooming plan. Following a motion by Mr. Gladstone, seconded by Dr. Battaglia, it was VOTED (unanimously) to modify the Board policy on Grooming Space as follows:

Grooming Space (July 2012 Board Meeting) (Modified December 2015)
January 2016

It is the policy of the AKC to encourage and welcome all exhibitors. Keeping the cost of participating in the Sport reasonable for current as well as potential new competitors is crucial to its future health and growth. At the same time, the Board recognizes the financial pressure faced by many clubs in putting on their events. The Board has therefore established the following policy, effective January 1, 2013, with regards to grooming space: All clubs are required to set aside an area designated for grooming/crating.

"Day of event" grooming must be provided that is reasonable in relation to entry of the show. A club holding a conformation event may, at its option, offer reserved grooming/crating space for a fee, provided that it makes available, at no charge in addition to the entry fee for the show, a reasonable amount of grooming/crating space of equal desirability to the exhibitors. Such free space need not include additional services such as the availability of electrical hookups.

Event Operations recommends that Board Policy on grooming space be modified so that clubs are not required to submit a grooming plan. On request, Event Operations staff will counsel clubs on complying with the Board Policy. If Event Operations becomes aware of a club not being in compliance, they will directly address the matter with the club.

Chapter 2

Section 1. Entry Requirements.

All-Breed clubs for breed, obedience, rally, agility, and tracking may offer classes for all registrable breeds and varieties and for purebred dogs of any breed eligible for entry in the Miscellaneous class and all FSS recordable breeds. While The American Kennel Club does not require that a dog entered in a sanctioned match be registered, the club itself may, at its discretion, add this requirement.

Group and Specialty clubs must restrict their breed competition to the breeds they were formed to serve; obedience and rally breeds may be open to all AKC registerable breeds and all FSS recordable breeds. Group clubs may also offer breed competition for any appropriate Miscellaneous Class breeds. Dogs that are listed with the AKC Canine Partners may at the club’s option, be permitted to compete in approved Companion events open to all breeds.

Dogs must be of an age that they are eligible to compete to be on the grounds of sanctioned match events. At sanctioned A matches dogs must be at least 4 months of age on the date of the event. At Sanctioned OA and OB obedience matches, dogs must be at least 6 months of age on the date of the event. At sanctioned B matches, dogs must be at least 3 months of age.

Chapter 3

Section 8. Classes.

All of the regular classes (as defined by Chapter 3, Section 3 of the Rules Applying to Dog Shows) of The American Kennel Club may be given, except Winners, but the Puppy, American Bred, and Open classes must be given. All classes must be divided by sex. Clubs may also offer any non-regular classes, subject to AKC approval. A list of all classes to be offered must be given on the application form, as well as a complete description and the entry requirements of all non-regular classes.

The requirements for eligibility to enter the various classes are the same as those stated in Chapter 3, Sections 4 through 10 of the Rules Applying to Dog Shows.

Best of Breed/Variety and Best of Opposite Sex to Best of Breed/Variety may be given.

Group classes may be given in an all-breed match. Dogs selected Best of Breed or Best of Variety are eligible. Best of Match may be given

Table & Ramp Identifiers in Judge’s Book

The Board requested that information be added to the judge’s book which would indicate whether a breed is examined on a table, ramp or options. Currently there are 36 breeds, not counting the Terrier Group and Toy Group, which must be judged on a table or a ramp. Due to the increasing number of table and/or ramp breeds, AKC was asked that the correct examination location or options be included in the judge’s book. AKC has notified the superintendents to include the examination requirements and options for the breed being judged in the judge’s book on the breed pages by July 1, 2016.
