SPANIEL HUNT TEST ADVANCED TITLE APPLICATION

A Spaniel Hunting Test Advanced title is awarded when a dog passes five additional times with an average qualifying score of 8.0 or higher after earning its initial title in a test level. Information regarding each of the five passes shall be recorded on this form. Event secretaries must sign verifying the average score (rounded to the nearest tenth of a point). It is the owner's responsibility to obtain the information required to complete this form. Once five passes have been completed, this form is submitted by the owner to the AKC Performance Events Department. Upon verification, the title is placed on the dog's record and will appear on the dog's pedigree. The Advanced title is designated by the addition of the letter A at the end of existing titles. No title certificate will be issued unless ordered through the use of this form for a fee of \$30.00. Ordering a title certificate is at the discretion of the owner. The Advanced title will supersede the initial title earned in the test level. For example, JHA will supersede JH on a dog's pedigree. A title earned in a more advanced level will supersede the Advanced title in a lower level. For example, SH will supersede JHA on a dog's pedigree. Please keep a copy of this form for your records. Any qualifying performance achieved on or after July 1, 2012 by a dog that has already earned the initial title in a given testing level may be counted toward an Advanced title.
