Proposed Amendment to Charter and Bylaws of The American Kennel Club

The Board of Directors has approved the following amendment to **ARTICLE VI, SECTION 5**, of the *Charter and Bylaws of The American Kennel Club*, to be voted on at the September 13, 2011, Delegates Meeting.

ARTICLE VI

SECTION 5. No person may become or remain a Delegate if convicted of a misdemeanor or felony involving the theft, embezzlement, or misappropriation of funds or property from The American Kennel Club, any AKC subsidiary, or affiliated organization, or an AKC-sanctioned, licensed, or member club within the previous ten (10) years. The same would apply to a person found liable for the theft, embezzlement, or misappropriation of funds or property from The American Kennel Club, any AKC subsidiary, or affiliated organization, or an AKC-sanctioned, licensed, or member club in a civil court action within the previous ten years.

A conviction or admission of guilt or finding of a liability in a court of competent jurisdiction involving theft, embezzlement or misappropriation of funds or property from The American Kennel Club, any AKC subsidiary, or affiliated organization, or an AKC-sanctioned, licensed, or member club within the last ten years, shall be deemed conclusive proof and shall be grounds for the disapproval of a Delegate candidate or the removal of a seated Delegate.

Proposed Amendment to Charter and Bylaws of The American Kennel Club

The Board of Directors has approved the following amendment to **ARTICLE VI, SECTION 7,** of the *Charter and Bylaws of The American Kennel Club*, to be voted on at the September 13, 2011, Delegates Meeting.

ARTICLE VI

SECTION 7. Candidates disapproved or Delegates removed by the Board of Directors shall be notified in writing of said disapproval or removal. The candidate's sponsoring Club or Delegate's Club may, within thirty days of notice of disapproval or removal appeal the disapproval or Delegates removal in writing to the Executive Secretary of the AKC, stating the reasons why the candidate is eligible under **Section 5** of this article. Such appeal shall be presented to the Delegates at their next regular meeting. An affirmative vote of two-thirds of the Delegates present and voting that the candidate is eligible (under **Section 5** of this article) shall be required to seat or to retain the seat of a disapproved candidate or removed Delegate.

Proposed Amendment to Rules Applying to Dog Shows

The Board of Directors has approved the following amendments to **Chapter 3, Section 17,** of the *Rules Applying to Dog Shows - Dog Show Classification;* **Chapter 4, Section 1,** of the *Rules Applying to Dog Shows - Approval of Judging Panels and Premium Lists;* **Chapter 5, Sections 1 & 7,** of the *Rules Applying to Dog Shows - Ribbons, Prizes and Trophies;* **Chapter 6, Section 2A,** of the *Rules Applying to Dog Shows - Premium Lists and Closing Entries;* **Chapter 7, Sections 13 & 19,** of the *Rules Applying to Dog Shows - Judges*, to be voted on at the September 13, 2011, Delegates Meeting.

Chapter 3

Section 17. A club giving group classes must also give a Best in Show, the winner to be entitled "Best Dog in Show". No entry fee shall be charged but the group winners must compete. The club or association giving group classes must also give a Reserve Best in Show, the winner to be chosen by the Best in Show judge from among those group class winners remaining in the ring, the winner to be entitled "Reserve Best in Show." No entry fee shall be charged but the remaining group winners must compete.

Chapter 4

Section 1. After a club or association has been granted permission by The American Kennel Club to hold a show, it must send for approval by and in time to reach The American Kennel Club at least EIGHTEEN weeks before the closing date for entries of the show, a list of the names and addresses of the judges whom it has selected to judge its show, giving in each instance the particular breed or breeds of dogs and group class if any, which it is desired that each judge shall pass upon, and the name and address of the judge selected to pass upon Best in Show and Reserve Best in Show. No judge's name shall be submitted to pass upon any assignment unless the judge has agreed in writing to accept that assignment.

The show-giving club must not advertise or publish the name or names of any of the judges which it has selected until the complete list has been approved by The American Kennel Club.

Chapter 5

Section 1. All clubs or associations holding dog shows under the rules of The American Kennel Club, except sanctioned matches, shall use the following colors for their prize ribbons or rosettes, in the regular classes of The American Kennel Club and the regular group classes:

First prize—Blue.
Second prize—Red.
Third prize—Yellow.
Fourth prize—White.
Winners—Purple.
Reserve Winners—Purple and White.
Best of Winners—Blue and White.
Special prize—Dark Green.
Best of Breed and Best of Variety of Breed—Purple and Gold.
Best of Opposite Sex to Best of Breed and Best of Opposite Sex to Best of Variety of Breed—Red and White.
Select—Light Blue and White
Best in Show – Red, white, and blue is the traditional color combination but any color or combination of colors is permitted.
Reserve Best in Show – any unassigned color or combination of colors.

and shall use the following colors for their prize ribbons in all additional classes:

First prize—Rose.
Second prize—Brown.
Third prize—Light Green.
Fourth prize—Gray.

Chapter 5

Section 7. Prizes may be offered for outright award at a show for the following placings:

First, Second, Third, Fourth in the Puppy, Twelve-to-Eighteen Month, Novice, Amateur Owner Handler, Bred-by-Exhibitor, American-bred or Open Classes, or in any division of these designated in the Classification.

First, Second, Third, Fourth in any additional class which the show-giving club may offer in accord with the provisions of Chapter 3, Section 13, and in the Miscellaneous Class (at all-breed shows only).

Winners, Reserve Winners, Best of Winners, Select, Best of Breed or Variety, Best of Opposite Sex to Best of Breed or Variety.

At all-breed shows only: First, Second, Third, Fourth in a Group Class and for Best in Show, Reserve Best in Show, Best Brace in Show and Best Team in Show.

Chapter 6

Section 2A. A show-giving club may, at its option, use a condensed form of premium list which shall be identical with the content and format of a regular premium list, and comply with all the pertinent rules except that the listing of breed prizes and trophies offered is omitted as well as the listing of all prizes and trophies offered for an obedience trial if held by the show-giving club with its show. Such prizes and trophies as are offered for Best in Show, Reserve Best in Show, and group placements are to be included in a condensed premium list as well as any schedule of class cash prizes that a club proposes to offer.

The conditions of all prizes and trophies offered must conform to the provisions of Chapter 5 of these rules and Chapter 1, Sections 19, 20, 21 and 30 of the Obedience Regulations. A club using a condensed form of premium list is obligated to prepare lists of the breed and obedience prizes and trophies for distribution to prospective entrants and exhibitors on request. Such lists can be printed, multilithed, multigraphed, mimeographed or typed (and photostated) on paper of any suitable size with both sides of the paper being used if the club wishes. In each condensed form of premium list there must be the notation: "A list of breed and obedience prizes and trophies offered can be obtained by writing to (name and address of club secretary and/or superintendent and address)."

A club which chooses to use a condensed form of premium list may also prepare for printing a regular premium list for other than mail distribution. The regular premium list can then be used to fill requests for a listing of breed and obedience prizes and trophies offered and no separate list of breed and obedience prizes and trophies need be prepared.

An obedience trial-giving club may, at its option, use a condensed form of premium list which shall be identical with the content and format of a regular premium list, and comply with all the pertinent rules and regulations except that the listing of prizes and trophies offered is omitted. When a condensed form of premium list is used, the same procedure is to be followed with respect to the prize and trophy list as is required of show-giving clubs and as is set forth in this section.

Chapter 7

Section 13. The maximum number of conformation entries assigned in the breed judging to any judge, in one day, shall never exceed 175 except that a judge of a specialty show may be assigned a maximum of 200 entries. If the specialty is held as part of an all-breed show, the increased limit will only apply if the judge is not assigned any other breed, a Group or Best in Show and Reserve Best in Show.

If a show-giving club so elects, it may place a limit of its own choosing lower than any of the limits provided for in the rule notifying The American Kennel Club of its intention at the time the judging panel is submitted for approval. This limit will then govern the need for additional judges if, when the entries for the show have closed, any judge on the panel has drawn more dogs than the limit set by the club.

When the entries have closed, if the entry under any judge exceeds the above limits, the Event Committee must select some other judge or judges to whom sufficient breeds can be assigned, to bring the total assignment of every judge within and as close as possible to the limit without removing provisional breeds listed in the judge's contract without the judge's agreement. The removal of any breeds is to be discussed with the assigned judge. If a judge is assigned four or fewer breeds, the assignment shall be reduced first by reassigning to other judge sufficient classes from one breed to eliminate the overload, with any non-regular classes in that breed being the first removed. The same procedure shall then be followed for as many breeds as necessary until the overload is eliminated. This will apply whether or not the breed in question involves varieties.

Notice must be sent to the owner of each dog affected by such a change in judges at least five days before the opening of the show, and the owner has the right to withdraw his entry and have his entry fee refunded provided notification of his withdrawal is received no later than one half-hour prior to the start of any regular conformation judging at the show, by the Superintendent or Show Secretary named in the premium list to receive entries.

Chapter 7

Section 19. Only one judge shall officiate in each Group Class and only one judge shall select the Best in Show and Reserve Best in Show.

The Board of Directors suggests that whenever possible the Best in Show and Reserve Best in Show be determined by one who has not already judged any breed or group class of said show.

Except in hardship cases, when an exception may be approved for a specific show, a judge will not be approved to judge a breed and, at the same show, the Variety Group of which the breed is a part and Best in Show and Reserve Best in Show.

Proposed Amendment to Rules Applying to Dog Shows

The Board of Directors has approved the following amendments to **Chapter 1, Section 17, Section 5,** of the *Rules Applying to Dog Shows - Dog Shows Defined;* **Chapter 1, New Section 8,** of the *Rules Applying to Dog Shows - Dog Shows Defined;* **Chapter 2, Sections 11-15,** of the *Rules Applying to Dog Shows - Making Application to Hold a Dog Show;* **Chapter 3, Sections 12-23** of the *Rules Applying to Dog Shows - Dog Show Classifications;* **Chapter 6, Section 8,** of the *Rules Applying to Dog Shows - Premium Lists and Closing of Entries,* to be voted on at the September 13, 2011, Delegates Meeting.

Chapter 1

Section 5. A member or licensed show with a limited entry, at which championship points may be awarded may be given by a club or association in the event said club or association considers it necessary to LIMIT the TOTAL ENTRY at its show due to the limitations of space. The total number of entries to be accepted together with the reason therefore, must be indicated on the cover or title page of the PREMIUM LIST. A specified closing date, in accordance with Chapter 6, Section 9, must be indicated in the premium list together with a statement that entries will close on said date or when the limit has been reached, if prior thereto. No entries can be accepted, canceled or substituted after the entry is closed.

Chapter 1

New Section 8. Section 9 becomes Section 8.

Chapter 2

Sections 11-15. Sections 12-16 become Sections 11-15.

Chapter 3

Sections 12-23. Sections 13-24 become Sections 12-23.

Chapter 6

Section 8. No prizes may be accepted or offered by a show-giving club unless they are published in the premium list of the show or in the separate list of prizes if the condensed form of premium list is used; nor may any be withdrawn or the conditions thereof changed after they have been published in the premium list or in the separate list of prizes.

If the donor of a prize that has been published in the premium list of a show or in the separate list of prizes shall fail to furnish the prize, the show-giving club shall promptly supply a prize of the same description and of no less value.

The show-giving club shall be responsible for all errors made in publishing offers of prizes and shall, in the event of error, award prizes of equal value; except that if an error has been made in the premium list or in the separate list of prizes in publishing the conditions of a specialty club's Regular Specials (as described in Chapter 5, Section 12) prizes shall be awarded according to the current

terms of the specialty club's Regular Specials. All prizes offered in a premium list of a show must be offered to be awarded in a regular procedure of judging for outright award to the owner and/or breeder of the dog, but any prizes or trophies not listed in the premium list may be awarded with the permission of the Event Committee and the reason for the exception included in the show report.

JUDGES

As a result of the October 2010 Board Meeting, publication notice in the Gazette was combined into one notice, therefore the judging approval process continues to include an opportunity for the fancy to respond to each provisional judge.

Letters concerning judges and provisional judges should be addressed to the Judging Operations Department at PO Box 900062, Raleigh, NC 27675-9062. Letters concerning Agility, Obedience, Rally, Tracking, and VST applicants should be addressed to the Companion Events Department in North Carolina.

The American Kennel Club will, at the request of a judge or judge applicant, provide that individual with copies of letters received by AKC concerning their qualifications. As a result, it should be understood that any such correspondence will be made available, upon request, to the judge.

It is the responsibility of all Conformation and JS judges to notify the Judging Operations Department of any changes or corrections to their address, phone, fax or emails. These changes are very important because they affect your judges' record, the web site and the Judges Directory. Please notify Judging Operations at (919) 816-3593 or email judgingops@akc.org.
