Official Standard of the Grand Basset Griffon Vendéen

General Appearance: The Grand Basset Griffon Vendéen is a well-balanced, strongly built, rough-coated scent hound of friendly and noble character. He is of medium size with straight legs, deep chest. He is longer than he is tall with a moderately long muzzle, long ears and a long tail. His neck is moderately long and strong, noble head with a mustache and beard, surmounted with protective long eyebrows. His structure was designed to hunt rabbit and hare at a fast pace through the bramble, and over the rough terrain of the Vendee area of France. He is a courageous, passionate and broadly skilled hunter who today is used to hunt not only rabbit and hare but also boar and roe deer. He is active, possessing great stamina for a full days’ hunt and uses his voice freely while on the trail. Any feature that detracts from function is a serious fault.
