Nomination Form and Instructions

The American Kennel Club supports and recognizes the outstanding efforts that certain AKC federations and dog breeder/owner groups have made in advocacy and participation in canine legislative issues in their states and communities. In tribute to these groups and to Walter Bebout, former director of AKC Government Relations, AKC has created the Walter Bebout Memorial Award for Leadership in Canine Legislation.

Recipients of the award will have demonstrated a significant contribution (leadership, financial, or time/effort) in advocating on behalf of responsible dog ownership and the rights of responsible dog owners and breeders in the public policy arena.

Nominees should meet the following criteria:

- Active citizen advocacy and involvement in canine legislation; OR
- Independently hired a lobbyist to assist in canine legislative issues; AND
- Active in community outreach on canine legislation/responsible ownership issues
- Financial need may also be considered.

Nominations, including self-nominations, may be submitted by federations or breeder/owner groups, or by the AKC Government Relations and Breeder Relations Departments.

Honorees will be announced quarterly. Honorees will receive a commemorative award and a contribution of \$1,000 to defray expenses or assist in ongoing legislative efforts.
