Once you are on the page please follow this path to limit the search results to only trials that are a Juniors Only Showcase.

1) Click on the arrow next to the Companion Events grouping label to expose the Companion Events that offer the Junior Showcase Trials
2) Click on one or more of the Agility, Obedience, or Rally competition types
3) If one of the Companion Event competition types are checked, the option to Limit to Junior Showcase will become active. Click on the check box to make this option part of the search filters.
4) Once you have completed any additional search filters, click on the Retrieve Events button.
