Change To Open Class

Show: _____ Day/Date: _____

I hereby certify that the dog indicated is not eligible for the original class entered due to:

When eligibility of the class is defined by the individual handling the dog (Bred-By-Exhibitor and Amateur Owner Handler), a dog may be moved to an eligible Open class if an eligible exhibitor is not able to handle the dog in the class for any reason. Dogs moved from Bred-By-Exhibitor or Amateur Owner Handler to Open would be in violation if the party exhibiting the dog was eligible to compete with the dog in the original class. Violations of this allowance will subject the dog to having its awards cancelled for the event. The restriction does not apply to dogs moved to the Open class for eligibility reasons not related to the exhibitor (i.e. dog age, foreign dog, Champion, etc.).
