Reason for request:

Effective January 1, 2010, extensions will only be granted to dogs that are individually registered with a foreign registry whose pedigrees are acceptable for AKC registration. Be aware that dogs under a litter number or a non-breeding registration with the registry in their country of origin are not eligible for AKC events. Extensions will not be valid for dogs exhibiting in Best of Breed/Variety competition for more than 90 days. Confirmation of an approved extension will be mailed within 5 business days. A non-refundable fee of \$50 must accompany all extension requests. The effective date of an extension is based on the date that the extension is processed by the AKC, not the date sent or recieved. Dogs exhibiting under an extension are subject to the eligibility requirements of any class they are entered.
