### 2021 LOW ENTRY BREEDS LIST

Following is the current list of “Low Entry Breeds”, effective **March 1, 2021**. This should be used as a reference for individuals pursing educational experiences in breeds to qualify to apply to the AKC for approval, and requirements to advance to regular status in permit breeds. Specific requirements may be found in the Board Approved [Judging Approval Process](#). Please refer to pages 2 and 3 of this document.
