Breeder of the Year Award
The American Kennel Club began its annual program to award and recognize breeders of purebred dogs at the 2002 AKC National Championship. The love of dogs and the commitment to preserve, protect and improve a chosen breed represent the very essence of AKC and the basis for the sport of purebred dogs. The American Kennel Club Breeder of the Year Award will be bestowed on individuals who best exemplify these time-honored ideals and will recognize people who have dedicated their lives to improving the health, temperament and longevity of purebred dogs.

Breeder of the Year Trophy - A sterling silver loving cup to be permanently displayed at the Offices of The American Kennel Club, with the recipient’s name engraved on a plate on the wooden base. The winner of the Breeder of the Year will receive a 10 inch Sterling Chippendale Tray engraved with their name. Additionally, a canine portraitist is commissioned to commemorate a prominent dog from the recipient’s kennel.

Recipients will be honored at an Awards Ceremony during Group Judging of the AKC National Championship presented by Royal Canin on Saturday Evening, December 16, 2017.
Awards will be presented to one honoree in each of the seven groups.
In addition the Breeder of the Year honoree in each of the seven groups will have their name(s), Kennel name and breed added to the “Breeders of the Year” plaque which is on permanent display at the AKC.

ACE Awards
There will be a presentation ceremony honoring the recipients of the 2017 AKC Humane Fund Awards for Canine Excellence during Group Judging on Saturday and Sunday Evenings.

IMPORTANT NOTICE TO ALL EXHIBITORS
PLEASE READ THE ENTIRE SECTION CAREFULLY
PLEASE NOTE THE IMPORTANT PARKING RULES THAT APPLIES
TO EVERY PERSON ATTENDING THE EVENTS ALL WEEK

Here are a few specifics to make your exhibiting experience seamless and enjoyable.
Please review some of the “housekeeping” policies that all exhibitors will be expected to follow. This “World Class” facility is an exceptional show site and with that comes responsibility for our participants to be aware of so our future in Orlando can be assured.
You will receive an E-Mail from Onofrio Dog Shows with your Electronic Exhibitors Admission Ticket. You must have this/these tickets when you first enter the Show Hall each day. Please be sure to get your hand stamped for “In and Out” access. You should present your printed ticket page or have the E-Mail opened on your Smart Phone for scanning. Once the ticket is scanned; it is no longer usable/valid for admission. You can purchase additional admission tickets at any of the main entrances. Though we suggest you purchase additional tickets on line in advance.

Clean-Up Is Your Responsibility
at all Events and at any Hotel Property
Poofer scoopers will be placed at all x-pens, (please do not “borrow” them ... we hate having to sit reviewing security tape footage to see where they go!). Clean-up personnel will be around the grounds and near all rings. If your dog soils the parking lot, show grounds or hotel property, it is your responsibility to clean up after it. Violators may be subject to an event committee hearing. The entire Convention Center (including all parking lots) and the hotels have 24 hour security cameras on their grounds. Anyone found to violate these premises without cleaning up will be subject to disciplinary measures that could result in suspension and the withholding of awards.

NO EXERCISE PENS ALLOWED AT ANY TIME
IN ANY PAVED PARKING LOT OF THE CONVENTION CENTER
OTHER THAN WHERE DESIGNATED NEAR THE EXHIBITORS ENTRY.
NO motorized vehicles of any kind are permitted in the facility at any time. There will be a designated area for “Golf Carts ONLY” near the South Spectator Entrance which is closest to the rings and another area near the North Exhibitors Entrance which is closest to the grooming hall. These are the only places Golf Carts can be parked.

No flexi-leads or “Halter Leads” allowed inside the facility at any time.

NO SOFT SIDED CRATES PERMITTED IN THE CONFORMATION GROOMING AREAS. THEY ARE APPROVED FOR OBEDIENCE AND AGILITY CRATING SECTIONS ONLY. NO TRAINING ON SHOW-GROUNDS. USE OF PRONG COLLARS OR STANDING PEDESTALS CANNOT BE USED DURING SHOW HOURS. NO UNENTERED DOGS INSIDE THE BUILDING UNLESS IN ATTENDANCE AS A SPECIAL ATTRACTION DOG.
ATTENTION EXHIBITORS

EXHIBITOR UNLOADING PROCEDURE:
No exhibitor unloading will be permitted into the unloading area
Until Monday December 11th at 2:00 pm.
You cannot drive inside the building at any time.
IF YOU ARRIVE EARLY YOU WILL BE DIRECTED TO A STAGING AREA NEARBY. YOU CANNOT PARK ON AN ACTIVE ROADWAY.
YOU SHOULD BE AWARE THAT INSTEAD OF WAITING ON THE STAGING LINE YOU MAY ENTER THE PARKING LOTS VIA THE PARKING COLLECTION BOOTHS: PAY THE $10.00 FEE (You have “in and out” access with this reduced parking fee) AND ROLL IN YOUR EQUIPMENT DIRECTLY FROM THE PARKING LOTS, WHICH ARE VERY CLOSE TO THE MAIN UNLOADING DOORS.

Enter at the North Hall “EXHIBITORS” doors
The entry gate to the unloading area is controlled by the OCCC facility; they will restrict the number of vehicles as needed. It’s imperative that you unload with speed so others can get in behind you. You will have 20 minutes to unload your vehicle. All vehicles will be required to turn off their engines and leave the flashers on. There will be show personnel and uniformed security to supervise this area. Please note Monday is considered as a “set-up” day for the facility and there is a local law that restricts any children from being in the building during the set-up of any event. Please do not bring children into the building on Monday. This does not include a junior showmanship exhibitor that is entered and accompanied by a parent or guardian.

“ROYAL CANIN BREEDER CONCIERGE”
Royal Canin is offering complimentary unloading assistance for exhibitors on Friday, Saturday and Sunday from 6:00 am - 6:00 pm for help in unloading and/or finding a grooming space. There will be a red and white Royal Canin tent located at the North Exhibitors Entrance where you can drop off your equipment and register with a Royal Canin Service Representative. It is helpful if you arrive with at least two people so one can park your vehicle while the other one goes with the person assisting them unload.

GROOMING AREAS
All grooming will be indoors. Overnight air conditioning will be provided for the grooming hall Monday through Sunday. Overnight security will be provided. Building hours are 6:00 am to 11:00 pm. There is very limited amount of space for chairs in the grooming area.
Grooming and crating areas will be supervised by “Kiarry Site Control” and “The Crew” who will be present to assist in the grooming areas. Anyone who refuses to cooperate with the staff of either company will be subject to disciplinary action.

INFORMATION ON OPEN AND ASSIGNED GROOMING
PLEASE READ CAREFULLY!!!!
There will be one Grooming Area specifically dedicated for ALL crating and grooming, occupying over 180,000 square feet. This will be the only location where grooming will be permitted.
ALL Public Ex-Pens will be located either on the North Dock in two covered locations or outdoors under a tent within the private Ex-pen area outside of the North Exhibitors entry doors. It is everyone’s responsibility to clean up after their dogs in any Ex-pen at any time. Those who fail to do so will be subject to discipline.
The Grooming Area will be overseen by Harry Miller and the Kiarry Site Control Staff. Please reach out to Harry’s staff if any problems or issues arise. Only his staff will have contact with the facility if needed. No exhibitors are authorized to make requests of the facility and could be held responsible for any costs related to a request that is not approved by Harry’s staff.
Look for the men in the “Orange Jackets”!

“Assigned Spaces”
Assigned spaces are for exhibitors with four or more entries that have secured an assigned 80 square foot space (8’x10’) that can be set up to your personal specifications. There will be a special “check-in” desk staffed by Kiarry Site Control where your assigned space number will be confirmed. See page 38 for the assigned grooming form.
Members of the AKC Registered Handlers Program (RHP) will be assigned spaces next to each other as space allows. Please add AKC RHP number to application.
Please note: The cutoff date for these assigned spaces is November 15, 2017 or when the available assigned limit is reached, whichever comes first. None are available on site. If you use an “Entry Service” to secure this option, it is your responsibility to have them submitted in a timely fashion. These spaces fill up quickly.
“Open Grooming”

ALL CRATES AND TACK UNITS MUST BE STACKED IN THE OPEN GROOMING AREAS

This area will strictly follow a set grid for “Crates/Tables/Aisles” without exception. This is a requirement to maintain access for exhibitors in this area. Complimentary shared electric outlets will be placed throughout this area and no one person may claim exclusive use of this service.

The Open Grooming areas will be arranged in “Rows & Aisles” to facilitate exhibitor space and ensuring a safe and smooth operation of the event. These areas are under strict enforcement of the Fire Marshall’s Regulations.

“Junior Showmanship Only”

NO DOGS MAY BE KEPT OVERNIGHT IN THIS SECTION

There is a reserved section located close to the Junior’s judging rings on Saturday and this section may be removed after Juniors Judging on Saturday. Only dogs ENTERED FOR JUNIOR SHOWMANSHIP will be permitted in this section. Juniors traveling with family members or Guardians with other dogs should secure space in the grooming area. No floor rugs are permitted. Grooming Tables in excess of 24x36 will be regulated by Harry Miller and Kiarry Site Control. No soft-sided crates allowed in the grooming area. No drop pens can be set up in the grooming area regardless of the use. Any containment equipment (dollies or stroller type carts) used for small dogs must be kept in the crate or table designated space. Not in the aisles.

By entering this show, the exhibitors and handlers agree to follow all directions of the assistants charged with arranging and maintaining safe and orderly conditions in the grooming areas. The grooming areas have 2,000 watt electric outlets spaced throughout which are available to all exhibitors as “shared usage”. Please take every precaution not to overload these outlets with high heat dryers. Electric at an event is closely monitored by the building Fire Marshall and anyone that attempts to overload the outlets puts the entire event at risk. Anyone that attempts to overload the outlets puts the entire event at risk. Any unsafe practices will cause that outlet to be removed from service. We will re-set an outlet once. If you cause it to blow a second time it will be pulled from service for the remainder of the event(s). These outlets are meant for single dryer use ONLY. You will have the option to secure an outlet with more wattage at your own expense. Please take care to have any cords in use off the floor and/or firmly secured to prevent any trip hazards.

Those who want to secure exclusive use of an outlet may do so on-site by contacting Harry Miller. The cost for a 2,000 watt outlet is $290.00 for the duration of the events.

PLEASE DO NOT OVERLOAD ANY OUTLET UNDER ANY CIRCUMSTANCE.

USDA INTERNATIONAL HEALTH CERTIFICATES

Those exhibitors from outside the USA who require a USDA International Health Certificate for your return travel; there is a procedure to secure proper documentation from the show Veterinarian. You must check in as early as possible to be briefed on the process. Your return travel should not be made before very late Monday night.

There will be bathing stations available to bathe dogs. These will be located outside of the grooming area, in dock slip N 38. The Bathing Area is a covered, well lit area in one of the dock slips. Please exercise care not to walk wet dogs inside the building, to avoid a safety hazard to the public attending the shows. Plan to wheel your wet dogs in a crate or carry them.

All exhibitors must leave the building by 11:00 PM so be sure to schedule your bathing times carefully!

No private ex-pens will be permitted to be set up in the building during show hours or on any other area around the facility or hotels. Each hotel will have designated exercise areas for their guests with dogs. You are required to clean up after your own dogs at all times.

All ex-pens must have plastic underneath them. No Exceptions! Any pen without plastic under the pen will be taken down. There will be large containers for properly bagged refuse. DO NOT THROW ANY WASTE INTO THIS CONTAINER THAT IS NOT PROPERLY BAGGED. Any pens not kept clean or properly maintained will be subject to removal by the grounds committee. Harry’s staff will determine the number of ex-pens any one exhibitor or handler can erect.

If needed: Plastic and shavings will be available at a nominal cost.
See Harry Miller in advance or on arrival if you need either.

THE SHOW RINGS
Due to an event of this size, be prepared for a longer walk to your ring. There will be an area taped in RED as “Ring Prep” zones near the rings. This area is for temporary staging for breeds about to be judged. All equipment must be removed from these areas 15 minutes after the completion of that breed unless that ring is used exclusively all day. Please be considerate of your fellow exhibitors that will be next in the ring and in need of the “Ring Prep” areas.

There will be an area in YELLOW tape adjacent to each ring as a “Ready Ring Area” this area is restricted to dogs due next in the ring or for dogs waiting for a class that may have been divided. NO grooming or prepping is allowed in this area.

The Fire Marshall will not allow crates or tables to block any aisles in case of emergency. This will be strictly enforced.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC’s birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

• Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
• Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
• Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
• The sportsman judge judges only on the merits of the dogs and considers no other factors.
• The sportsman judge or exhibitor accepts constructive criticism.
• The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge’s placements could be based on something other than the merits of the dogs.
• The sportsman exhibitor refuses to compromise the impartiality of a judge.
• The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
• Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
• Sportsmen welcome, encourage and support newcomers to the sport.
• Sportsmen will deal fairly with all those who trade with them.
• Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
• Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
• Sportsmen always consider as paramount the welfare of their dog.
• Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
