The larger, standard-sized patch measures 3.5 inches across. The smaller (absolutely adorable) patch for Toy breeds and smaller puppies is 1-3/4 inches in diameter. Patches look great on your dog training jacket, on soft-sided crates, and on your training bag. And, you'll treasure your patch when it is on display or in your puppy's scrapbook or framed with the certificate.

## Waste Bag Dispenser

GK9S18

\$7.00

Attractive bone-shaped waste bag dispenser for cleaning up after your puppy. The number one reason dogs are banned from trails and other public places is owners don't clean up after their dogs. Good for your own puppy walks, for giving these as gifts, and for instructors to use to reward the humans in the class. Includes 20 bags; large quantity refills can be purchased at any pet superstore. Comes with a bone-shaped clip for attaching to the dog's leash.
