HOW TO RECORD A WORKING DOG TITLE WITH AKC

The AKC will record Working Dog titles* earned in events held by organizations** as requested by Breed Parent Clubs and approved by the AKC. Recording of a title is done at the request of a dog's owner through the following process -

1. Upon earning a Working Dog title, complete the Application to Record a Working Dog Title.
2. Attach a check or money order for the appropriate amount or complete the credit card information.
3. Mail the application and payment to the AKC.
4. AKC will verify and record the title. This can be done through submitting a copy of the scorebook showing the title earned and signed by the judge or through AKC contacting the recording secretary for the host organization.
5. AKC will issue and mail a title certificate to the recorded owner.

Only one title will be recorded per application and only the highest level achieved will appear on the dog's pedigree. An updated Registration Certificate and Pedigree may also be ordered via the Title Application form. Please be aware that event superintendents or event secretaries may, but are not required to print AKC recognized Working Dog titles in event catalogs.

Please see the AKC website at www.akc.org/events/working_dog_sport for the following information:

- * Working Dog titles that will be recorded for your breed.
- ** Event giving organizations whose Working Dog titles AKC will recognize.
