**Proposed Amendment to Rules Applying to Dog Shows**
The Board of Directors has approved the following amendment to Chapter 16, Section 1, (New Sixth Paragraph), of the Rules Applying to Dog Show, to be voted on at the March 13, 2012, Delegates Meeting.

**Chapter 16**
**SECTION 1, (new sixth paragraph).**
At one National Specialty each year, specified by the AKC Breed Parent Specialty Club at the time the event application is submitted to AKC, the dog designated Reserve Winners Dog and the bitch designated Reserve Winners Bitch will be awarded a three-point major, provided that the number of dogs competing in the regular classes of the reserve Winner’s sex totals at least twice the number required for a five point major, in the region in which the event is held.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld, shall not be included.

**Proposed Amendment to Rules Applying to Dog Shows**
The Board of Directors has approved the following amendment to Chapter 1, Section 3, (deleted) of the Rules Applying to Dog Shows – Dog Shows Defined, to be voted on at the March 13, 2012, Delegates Meeting.

**Chapter 1**
**SECTION 3.**
A member or licensed all-breed club may apply to The American Kennel Club for approval to hold a show at which championship points may be awarded with entries restricted to puppies that are eligible for entry in the regular puppy class and dogs that have been placed first, second or third in a regular class at a show at which championship points were awarded, provided the club submitting such an application has held at least one show annually for at least ten years immediately prior to the year in which application for a show so restricted is made, and further
provided that there shall not have been less than 900 dogs entered in its show (or in one of its shows if the club holds more than one show a year) in the year preceding the year in which application is made for its first show with entries so restricted.

When an application for this type of restricted entry show has been approved by The American Kennel Club the only dogs eligible for entry shall be puppies that are eligible for entry in the regular puppy class and those dogs that have been placed first, second or third in a regular class at a show at which championship points were awarded held not less than sixty days prior to the first day of the show at which entries will be so restricted.

However, a club making application to hold a show restricted to entries of dogs as specified above may further restrict entries by excluding all puppies or all puppies six months and under nine months and/or by excluding dogs that have placed second or dogs that have placed third or dogs that have placed second and third, provided the extent of these further restrictions is specified on the application.

Any club whose application has been approved to hold a show with restricted entries as described in this section shall indicate the extent of the restrictions in its premium list.

**Proposed Amendment to Rules Applying to Dog Shows**

The Board of Directors has approved the following amendments to Chapter 6, Section 3, of the Rules Applying to Dog Show - Premium Lists and Closing of Entries, Chapter 7, Section 13 & 19, of the Rules Applying to Dog Shows – Judges, to be voted on at the March 13, 2012, Delegates Meeting.

**Chapter 6**

**SECTION 3.**

Except at specialty club shows, the general classification of recognized breeds divided into groups and in the same order as set forth in Chapter 2, of the Rules Applying to Registration and Discipline, with the varieties of distinct breeds as described in Chapter 3, Section 1 added thereto, in their proper groups and alphabetical position, shall be published in the premium list.

**Chapter 7**

**SECTION 13.** The maximum number of conformation entries assigned in the breed judging to any judge, in one day, shall never exceed 175 except that a judge of a specialty show may be assigned a maximum of 200 entries. If the specialty is held as part of an all-breed show, the increased limit will only apply if the judge is not assigned any other breed, a Group or Best in Show and Reserve Best in Show.

If a show-giving club so elects, it may place a limit of its own choosing lower than any of the limits provided for in the rule notifying The American Kennel Club of its intention at the time the judging panel is submitted for approval. This limit will then govern the need for additional judges if, when the entries for the show have closed, any judge on the panel has drawn more dogs than the limit set by the club.

When the entries have closed, if the entry under any judge exceeds the above limits, the Event Committee must select some other judge or judges to whom sufficient breeds can be assigned, to bring the total assignment of every judge within and as close as possible to the limit without removing provisional breeds listed in the judge’s contract without the judge’s agreement. The removal of any breeds is to be discussed with the assigned judge. If a judge is assigned four or fewer breeds, the assignment shall be reduced first by reassigning to other judge sufficient classes from one breed to eliminate the overload, with any non-regular classes in that breed being the first removed. The same procedure shall then be followed for as many breeds as necessary until the overload is eliminated. This will apply whether or not the breed in question involves varieties.

Notice must be sent to the owner of each dog affected by such a change in judges at least five days before the opening of the show, and the owner has the right to withdraw his entry and have his entry fee refunded provided notification of his withdrawal is received no later than one half-hour prior to the start of any regular conformation judging at the show, by the Superintendent or Show Secretary named in the premium list to receive entries.

**SECTION 19.** Only one judge shall officiate in each Group Class and only one judge shall select the Best in Show and Reserve Best in Show.

The Board of Directors suggests that whenever possible the Best in Show and Reserve Best in Show be determined by one who has not already judged any breed or group class of said show.

Except in hardship cases, when an exception may be approved for a specific show, a judge will not be approved to judge a breed and, at the same show, the Variety Group of which the breed is a part and Best in Show and Reserve Best in Show.

**Proposed Amendment to Rules Applying to Dog Shows**

The Board of Directors has approved the following amendments to Chapter 3, Section 1, of the Rules Applying to Dog Shows – Dog Show Classifications, to be voted on at the March 13, 2012, Delegates Meeting.

**Chapter 3**

**SECTION 1.**

The following breeds and/or varieties of breeds, divided by groups, shall be all the breeds and/or varieties of breeds for which regular classes of The American Kennel Club may be provided at any show held under American Kennel Club rules. The Board of Directors may either add to, transfer from one group to another, or delete from said list of breeds and/or varieties of breeds, whenever in its opinion registrations of such breed and/or variety of breed in the Stud Book justify such action.

Proposed Amendment to Rules Applying to Dog Shows

The Board of Directors has approved the following amendments to Chapter 3, Sections 15 - 20 of the Rules Applying to Dog Shows – Dog Show Classifications; to be voted on at the March 13, 2012, Delegates Meeting.

Chapter 15

SECTION 15. A club or association holding a show may give group classes not divided by sex, such groups to be arranged in same order and to comprise the same breeds and recognized varieties of breeds as herein before set forth in Chapter 3, Section 1. All braces of dogs designated by their respective breed judges as Best of Breed or Best of Variety as the case may be at shows at which these brace group classes shall be given, shall be eligible to compete in the brace group classes to which they belong according to this grouping. All entries for these brace group classes shall be made after the judging of the regular classes of The American Kennel Club has been finished and no entry fee shall be charged. In the event that the owner of a brace of dogs designated Best of Breed or Best of Variety shall not exhibit the brace of dogs in the group class to which it is eligible, no other team of dogs of the same breed or variety of breed shall be allowed to compete.

Effective January 1, 2005. A team is defined as four dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of four handlers. All dogs competing in team competition must have at least one common owner.

SECTION 16. A club giving group classes must also give a Best in Show, the winner to be entitled “Best Dog in Show.” No entry fee shall be charged but the group winners must compete.

SECTION 17. A club or association holding a show, if it gives brace classes in the several breeds and recognized varieties of breeds, may also give brace group classes, not divided by sex; such groups to be arranged in the same order and to comprise the same breeds and recognized varieties of breeds as herein before set forth in Chapter 3, Section 1. All braces of dogs designated by their respective breed judges as Best of Breed or Best of Variety as the case may be at shows at which these brace group classes shall be given, shall be eligible to compete in the brace group classes to which they belong according to this grouping. All entries for these brace group classes shall be made after the judging of the regular classes of The American Kennel Club has been finished and no entry fee shall be charged. In the event that the owner of a team of dogs designated Best of Breed or Best of Variety shall not exhibit the team of dogs in the group class to which it is eligible, no other team of dogs of the same breed or variety of breed shall be allowed to compete.

Effective January 1, 2005. A team is defined as four dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of four handlers. All dogs competing in team competition must have at least one common owner.

SECTION 18. If a club or association holding a show shall give these group classes, it must also give a “Best Brace in Show” in which the braces of dogs winning the first prizes in the group classes must compete, but for which no entry fee shall be charged. The winner shall be entitled “The Best Brace in Show.”

SECTION 19. A club or association holding a show, if it gives team classes in the several breeds and recognized varieties of breeds, may also give team group classes not divided by sex, such groups to be arranged in the same order and to comprise the same breeds and recognized varieties of breeds as herein before set forth in Chapter 3, Section 1. All teams of dogs designated by their respective breed judges as Best of Breed or Best of Variety as the case may be at shows at which these team group classes shall be given, shall be eligible to compete in the team group classes to which they belong according to this grouping. All entries for these team group classes shall be made after the judging of the regular classes of The American Kennel Club has been finished and no entry fee shall be charged. In the event that the owner of a team of dogs designated Best of Breed or Best of Variety shall not exhibit the team of dogs in the group class to which it is eligible, no other team of dogs of the same breed or variety of breed shall be allowed to compete.

Effective January 1, 2005. A team is defined as four dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of four handlers. All dogs competing in team competition must have at least one common owner.

The Board of Directors of The American Kennel Club may add other breeds to the foregoing list whenever in its opinion sufficient evidence is presented to said Board to justify its belief that such other breeds have been in existence as distinct breeds for such length of time as to justify being designated pure breeds. The Board of Directors also may remove any breed from the foregoing list or may transfer any breed from one group to another group whenever in its opinion sufficient evidence is presented to the Board to justify such removal or transfer.

Proposed Amendment to Beagle Field Trial Rules and Standard Procedures for Brace, Small Pack and Small Pack Option Field Trials and Two-Couple Pack Hunting Tests

The Board of Directors has approved the following amendment to Chapter 9, New Section 8, Grand Field Champion Title (GFC) of the Proposed Amendment to Beagle Field Trial Rules and Standard Procedures for Brace, Small Pack and Small Pack Option Field Trials and Two-Couple Pack Hunting Tests – Entry Requirements and Eligibility; to be voted on at the March 13, 2012, Delegates Meeting

CHAPTER 9

NEW SECTION 8. Grand Field Champion Title (GFC). To be eligible to earn points toward a Grand Field Champion title a dog must have previously been recorded an AKC Field Champion. To be recorded a Grand Field Champion, a hound must win two first places and 90 points in classes with not less than six starters at AKC selected trials. A list of the selected trials can be found on the AKC website at www.akc.org/to be determined. The GFC title is a prefix title that will appear in addition to the Field Champion title.

Upon completion of the GFC requirements, the title will be affixed to the dog’s record. The owner will be notified but no title certificate will be issued unless ordered by the owner. The cost of the title certificate will be determined by the AKC Board of Directors. Note: If a dog earns its Field Championship title at one of the selected trials, the points in excess those needed to earn the FC title will not count toward the GFC title.

The total number of wins and points necessary for a Beagle to be recorded a Grand Field champion shall be periodically reviewed and possibly revised by the AKC Board of Directors.

JUDGES

As a result of the October 2010 Board Meeting, publication notice in the Gazette was combined into one notice, therefore the judging approval process continues to include an opportunity for the fancy to respond to each provisional judge.

Letters concerning judges and provisional judges should be addressed to the Judging Operations Department at PO Box 900062, Raleigh, NC 27675–9062. Letters concerning Agility, Obedience, Rally, Tracking, and VST applicants should be addressed to the Companion Events Department in North Carolina.

The American Kennel Club will, at the request of a judge or judge applicant, provide that individual with copies of letters received by AKC concerning their qualifications. As a result, it should be understood that any such correspondence will be made available, upon request, to the judge.

It is the responsibility of all Conformation and JS judges to notify the Judging Operations Department of any changes or corrections to their address, phone, fax or emails. These changes are very important because they affect your judges’ record, the web site and the Judges Directory. Please notify Judging Operations at (919) 816–3593 or email, judgingops@akc.org.
