Chapter 16
SECTION 1, (new sixth paragraph).
At one National Specialty each year, specified by the AKC Breed Parent Specialty Club at the time the event application is submitted to AKC, the dog designated Reserve Winners Dog and the bitch designated Reserve Winners Bitch will be awarded a three-point major, provided that the number of dogs competing in the regular classes of the Reserve Winner’s sex totals at least twice the number required for a five point major, in the region in which the event is held.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld, shall not be included.

Proposed Amendment to Rules Applying to Dog Shows

When an application for this type of restricted entry show has been approved by The American Kennel Club the only dogs eligible for entry shall be puppies that are eligible for entry in the regular puppy class and those dogs that have been placed first, second or third in a regular class at a show at which championship points were awarded held not less than sixty days prior to the first day of the show at which entries will be so restricted.

However, a club making application to hold a show restricted to entries of dogs as specified above may further restrict entries by excluding all puppies or all puppies six months and under nine months and/or by excluding dogs that have placed third or dogs that have placed second or third in a regular class at a show at which championship points were awarded held not less than sixty days prior to the first day of the show at which entries will be so restricted.

Proposed Amendment to Beagle Field Trial Rules and Standard Procedures for Brace, Small Pack and Small Pack Option Field Trials and Two-Couple Pack Hunting Tests

The Board of Directors has approved the following amendment to Chapter 9, New Section 8, Grand Field Champion Title (GFC) of the Proposed Amendment to Beagle Field Trial Rules and Standard Procedures for Brace, Small Pack and Small Pack Option Field Trials and Two-Couple Pack Hunting Tests – Entry Requirements and Eligibility; to be voted on at the March 13, 2012, Delegates Meeting

Chapter 9

New Section 8. Grand Field Champion Title (GFC). To be eligible to earn points toward a Grand Field Champion title a dog must have previously been recorded an AKC Field Champion.

To be recorded a Grand Field Champion, a hound must win two first places and 90 points in classes with not less than six starters at AKC selected trials. A list of the selected trials can be found on the AKC website at www.akc.org/to be determined. The GFC title is a prefix title that will appear in addition to the Field Champion title.

Upon completion of the GFC requirements, the title will be affixed to
the dog’s record. The owner will be notified but no title certificate will be issued unless ordered by the owner. The cost of the title certificate will be determined by the AKC Board of Directors.

Note: If a dog earns its Field Championship title at one of the selected trials, the points in excess of those needed to earn the FC title will not count toward the GFC title.

The total number of wins and points necessary for a Beagle to be recorded a Grand Field champion shall be periodically reviewed and possibly revised by the AKC Board of Directors.

**Proposed Canaan Dog Breed Standard**

**GENERAL APPEARANCE**

The Canaan Dog, the National dog of Israel, is a herding and flock sentry dog originating in the Land of Canaan. The Canaan Dog is a pariah dog type that is naturally alert, inquisitive and watchful. He is mistrustful of strangers and unfamiliar environments, yet loyal and loving with his family. A square dog of medium size, moderate and balanced without extremes, showing a clean outline. The moderately angulated Canaan Dog moves with athletic agility and grace in an efficient, ground-covering endurance trot. He has a wedge-shaped head with low-set erect ears, a high set brush tail that curls over the back when confident, and a straight, harsh, flat-lying double coat. There is a marked distinction between the sexes.

**SIZE, PROPORTION, SUBSTANCE**

*Size* - Height at the withers is 20 to 24 inches for dogs and 19 to 23 inches for bitches. The ideal Canaan Dog lies in the middle of the stated ranges. *Proportion* - Square when measured from the point of the shoulder to the ischium and from the point of the withers to the ground. *Substance* - Moderate. Dogs generally weigh 45 to 55 pounds and bitches approximately 35 to 45 pounds. Dogs distinctly masculine without coarseness and bitches feminine without over-refinement.

**HEAD**

Elongated, the length exceeding the breadth and depth considerably. Wedge-shaped, when viewed from above. Slightly arched when viewed from the side, tapering to stop. The region of the forehead is of medium width, but appearing broader through ears set low to complete an alert expression, with a slight furrow between the eyes. *Expression* - Alert, watchful and inquisitive. Dignified. *Eyes* - Dark, almond-shaped, slightly slanted. Varying shades of hazel with liver-pointed dogs. Eye rims darkly pigmented or of varying shades of liver harmonizing with coat color. Fault — Unpigmented eye rims. *Ears* - Erect, medium to large, set moderately low, broad at the base, tapering to a very slightly rounded tip. Ears angled very slightly forward when excited. A straight line from the inner corner of the ear to the tip of the nose should just touch the inner corner of the eye and a line drawn from the tip of the ear to the tip of the nose should just touch the outer corner of the eye. Ear motion contributes to expression and clearly defines the mood of the dog. Major Fault - In the adult dog, other than erect ears. Stop - Slightly accentuated. *Muzzle* - Tapering to complete the wedge shape of the head. Length equal to or slightly longer than the length of the skull from the occiput to stop. Whisker trimming optional. Nose - Darkly pigmented or varying shades of liver, harmonizing with coat color. Lips - Tight with good pigmentation. *Bite* - Scissors.

**NECK, TOPLINE, BODY**

*Neck* - Well arched. Balance to body and head and free from throatiness. *Topline* - Level with slight arch over the loins. *Body* - Strong, displaying athletic agility and trimness. Chest - Moderately broad and deep, extending to the elbows, with well-sprung ribs. *Loin* - Well-tucked up. Short, muscled flanks. *Tail* - Set high. When confident tail will be carried curled over the back, either in a curl or sickle, with one full curl being the ideal. When extended, the bone shall reach to the hocks.

**FOREQUARTERS**

Shoulders moderately angulated. Legs straight. Patterns flexible with very slight slope when viewed from the side. Dewclaws may be removed. Feet - Catlike, pads hard, pigmentation harmonizing with nose and eye rims. Nails strong, hard, pigmentation harmonizing with either nose and eye rims or coat.

**HINDQUARTERS**

Moderately angulated. In balance with forequarters. Straight when viewed from the rear. Thigh musculature well-developed, moderately broad. Hocks well-let-down. Dewclaws must be removed. Feet and nails as in forequarters.

**COAT**

Double coat. Outer coat-straight, harsh, flat-lying. Outer coat of medium length on body, shorter on front part of the legs and head; longer on ruff, tail, top of withers and back of thigh. Ruff more pronounced on males. Thick brush tail tapering to a pointed tip. Undercoat - soft and short with density varying with climate. Excessively long outer coat that masks the clean outline of the dog is undesirable as is any trimming that alters the natural appearance of the dog.

**COLOR**

There are two color patterns. Pattern 1) Predominantly white with mask and with or without additional patches of color (large body patches are desirable). Pattern 2) Solid colored with or without white trim. Color may range from black through all shades of brown - sandy to red or liver. Shadings of black on a solid brown or tan dog are frequently seen. The trim on a solid colored dog may include chest, undercarriage, feet and lower part of leg and tip of tail. In all color patterns self-ticking may be present. Disqualifications - a) Gray and/or brindle. b) All white.

**MASK**

The mask is a desired and distinguishing feature of the predominantly white Canaan Dog.
Canaan Dog. The mask is the same color(s) as the body patches on the dog. The basically symmetrical mask must completely cover the eyes and ears or can completely cover the head as in a hood. The only allowed white in the mask or hood is a white blaze of any size or shape and/or white on the muzzle below the mask. Faults - On predominantly white dogs - absence of mask, half mask, or grossly asymmetrical mask.

GAIT
The characteristic gait is a brisk and tireless trot covering more ground than expected. Moderate angulation results in the appropriate reach and drive of the natural dog’s endurance trot. In this trot the rear paw steps into the footprint of the front paw. His trot tends to converge to the center at higher speeds. The Canaan Dog is agile, graceful and able to change speed and direction instantly. Correct movement is essential to this breed.

TEMPERAMENT
Alert, vigilant, devoted and docile with his family. Reserved and aloof with strangers. Highly territorial, serving as a guardian. Very vocal, persistent. Easily trained. Faults - Shyness or dominance toward people.

DISQUALIFICATIONS
Gray and/or brindle.
All white.

JUDGES
As a result of the October 2010 Board Meeting, publication notice in the Gazette was combined into one notice, therefore the judging approval process continues to include an opportunity for the fancy to respond to each provisional judge.

Letters concerning judges and provisional judges should be addressed to the Judging Operations Department at PO Box 900062, Raleigh, NC 27675-9062. Letters concerning Agility, Obedience, Rally, Tracking, and VST applicants should be addressed to the Companion Events Department in North Carolina. The American Kennel Club will, at the request of a judge or judge applicant, provide that individual with copies of letters received by AKC concerning their qualifications. As a result, it should be understood that any such correspondence will be made available, upon request, to the judge.

It is the responsibility of all Conformation and JS judges to notify the Judging Operations Department of any changes or corrections to their address, phone, fax or emails. These changes are very important because they affect your judges’ record, the web site and the Judges Directory. Please notify Judging Operations at (919) 816-3593 or email, judgingops@akc.org.

Copies of the November 2011 minutes were made available to all Directors. The Board reviewed the minutes of the November 7 - 8, 2011 meeting. Upon a motion by Dr. Battaglia, seconded by Ms. Scully, the November 2011 Board minutes were unanimously adopted.

**Chairman’s Report**

**Amendments to Article VI, Section 11, of the AKC Bylaws and to the Standing Rule on Delegates Committees.**

The Board considered a proposed amendment to the AKC Bylaws submitted by the Delegate Bylaws Committee and a related proposed amendment to the Delegate Standing Rules on Committees. The effect of both would be to make the appointment to and attendance by an AKC Staff liaison at each of the Delegate Committee meetings mandatory. This matter will be studied and discussed further by the Board.

**President’s Report**

**Board Action Items**

Mr. Sprung gave a status report on previous Action items assigned to the Staff.

**Events and Entries Update**

Mr. Sprung reported that for the eleventh month ended November 2011 aggregate Entries were up by 2.24% and Events were up by 1.77% compared to the same period in the previous year. While the Event recording for all of 2011 have not yet been completed, Agility has topped the one million entry plateau for the year. This is the first time that any sport other than conformation has achieved this level. Mr. Sprung thanked all Agility exhibitors, Staff, clubs and volunteers.

**Legal Report**

Margaret Poindexter, General Counsel, participated in this portion of the meeting via video conference. She presented a status report on pending litigation and other activities during the months of November and December 2012.

**AKC Legislative Strategy**

Margaret Poindexter and Sheila Goffe, AKC Staff, participated in this portion of the Board meeting via video conference. There was a discussion on how AKC has dealt with canine legislation on the federal and local levels. There was agreement that the Board had to give the Staff clear direction on the types of positive legislative initiatives AKC should take. Staff was directed to bring a proposal back for Board review.

The Board reviewed the current procedure for approving breed standards. There was a consensus that when a club was given approval to ballot a particular change, it did not imply Board approval. This approval would come only after any input received after publication was considered. Staff was directed to prepare a clear, written procedure for the consideration and approval of breed standard changes.

The new procedure is effective March 1, 2012. The Board discussed the Judges Review Committee as referenced within this policy.

Hardship Policy
The Board considered a proposal to permit the transfer of a dog from an owner placed on referral. One recommendation was to prohibit transferring that dog back to the same individual at the conclusion of his/her suspension. There was a motion by Dr. Garvin, seconded by Mr. Kalter to include this provision in any hardship policy adopted. This motion was defeated with the VOTE (affirmative: Dr. Garvin, Dr. Smith; opposed: Mr. Menaker, Mr. Gladstone, Mr. Ashby, Mr. Arnold, Mr. Goodman, Mr. Amen, Ms. Scully, Dr. Battaglia, Dr. Davies, Mr. Kalter, Dr. Newman.) Following a motion by Mr. Ashby, seconded by Dr. Davies, it was VOTED (unanimously) to adopt the following Hardship Registration Policy, which would replace the existing Hardship Policy, effective January 10, 2012:

When an individual has been placed on temporary referral, the AKC will consider the transfer and/or registration of dogs and litters listed in their AKC recorded ownership provided the following criteria is met:

• Dated third party documentation to show that the dog was acquired prior to the individual being placed on temporary referral.
• The parentage of the dog or litter is not in question.
• All other requirements for AKC registration are met.

When an individual has been suspended from AKC registration privileges, the AKC will entertain the registrations and/or transfer of dogs and litters listed in the individual’s AKC recorded ownership at the time the suspension is imposed provided the following criteria is met:

• An AKC DNA profile for the dog is on file.
• All other requirements for AKC registration are met.
• The processing fee for such a transfer is $75.

If the suspended individual seeks to have the dog(s) transferred back into his or her recorded ownership at the conclusion of the suspension, the processing fee for such transfer is $150.

The following AKC Management actions were reported:
(Final Board Disciplinary actions are reported on the Secretary’s Page.)

Meeting adjourned on Monday January 9, 2012 at 5:20 pm

Meeting reconvened on Tuesday January 10, 2012 at 8:00 am. All Directors were present, as were the Executive Secretary, the Chief Operating Officer and the Assistant Executive Secretary.

EXECUTIVE SESSION
There was an Executive Session to discuss confidential business matters.

COMPLIANCE (continued from January 9)

Deficiencies in Care and Conditions Policy
The Board reviewed a staff recommendation to adopt on proper care and conditions for dogs. There was discussion on the guidelines to be included in the policy. This will be discussed further at the February meeting.

CONFORMATION
Robin Stansell, Lee Herr, and Bri Tesarz, AKC Staff, participated in this portion of the meeting via video conference.

Rules Applying to Dog Shows
Chapter 2, Section 3 Territory
The Suffolk County Kennel Club proposed an amendment to the Rules Applying to Dog Shows Chapter 2, Section 3, in order to require clubs to hold events in their territory in order to maintain exclusive privilege in the territory. A second condition of the request would permit clubs to reclaim exclusive privilege after they hold shows within their territory following a prolonged absence. The amendment would read as follows:

Each member club or association not a specialty club which shall hold a show § at least once in every two consecutive calendar years shall have the sole show privilege in the city, town or district which has been assigned to it as its show territory. Clubs that have not held a show in their territory within two consecutive calendar years will be granted the exclusive privilege of their territory one year after the next date they hold a show in their territory.

Following a motion by Dr. Garvin, seconded by Mr. Ashby, it was VOTED (unanimously) not to approve this recommendation.

While the Board was in favor of the insertion of the words “within its territory” to Chapter 3, Section 2, it was unanimously opposed to the new last sentence in the Suffolk County proposal. It felt the first would benefit the Sport by not permitting a club to prohibit other clubs from utilizing available sites in its territory, even though that club did not hold events in that territory itself. However, it did not believe that it was fair to permit a club to re-establish exclusivity after a prolonged absence from an area, displacing clubs which had held events there in the interim.

There was a motion by Dr. Garvin, seconded by Mr. Ashby and it was VOTED (unanimously) to approve the addition of the words “within their territory” to Chapter 3, Section 2, of the Rules Applying to Dog Shows, so that it will read:

Each member club or association not a specialty club which shall hold a show within their territory at least once in every two consecutive calendar years shall have the sole show
privilege in the city, town or district which has been assigned to it as its show territory.

This amendment will be read at the March 2012 Meeting for a VOTE in June 2012.

Rules Applying to Dog Shows Chapter 11, Section 6, Entry Corrections
The Board reviewed a staff recommendation to amend Rules Applying to Dog Shows, Chapter 11, Section 6, to allow superintendents and show secretaries using AKC entry verification to correct entries as appropriate. These corrections to the exhibitor’s entry data would be limited to data fields that concern breed, birth date, breeder, registration number, name, sex and color. This will be discussed further at the February meeting.
