

AKC AGILITY STATS

END OF YEAR TOTALS FOR 2005

The final statistics for 2005 show that a record number of agility trials and entries were achieved with 1,812 agility trials and 680,717 entries recorded. The number of Master Agility Championship titles earned were as follows: 449 MACH's; 190-MACH2's; 99 MACH3's; 48 MACH4's; 33 MACH5's; 25 MACH6's; 14 MACH7's; 9 MACH8's; 5 MACH9's; 6 MACH10's; 5 MACH11's; 2 MACH12's; and the following MACH's were all earned in 2005 by the same dog - MACH13, 14, and 15, Keeshond, "MACH15 Molly, CD".

In 2006, the ranking statistics will be reported to reflect the same formula used to announce the top MACH dog for the year, to select the top dogs to be invited to the AKC Agility Invitational, and to award the special award of merit certificates to the top dogs for each breed annually. This formula, or score, is (double Q's x 10) + speed points. Example: 1,100 speed points + (40 Double Q's x 10) would equal a score of 1,500 points. The lifetime statistics will continue to be ranked by Title/Points/2Q's as in the past.

—Sharon Anderson, AKC Agility Director
