

AKC AGILITY STATS

END OF YEAR
TOTALS FOR 2006

DOGHOUSE ARTS © AKC

The final statistics for 2006 show that a record number of agility trials and entries were once again achieved with 1,956 agility trials and 745,852 entries recorded. The number of Master Agility Championship titles earned was as follows: MACH – 578; MACH2 – 248; MACH3 – 116; MACH4 – 70; MACH5 – 49; MACH6 – 30; MACH7 – 19; MACH8 – 16; MACH9 – 10; MACH10 – 9; MACH 11 – 7; MACH12 – 4; MACH13 – 5; MACH14 – 2; MACH15 – 1; MACH16 – 1; MACH17 – 1. The highest MACH earned remains the same dog, Keeshond, MACH17 Molly CD.

In 2006 the ranking statistics were reported to reflect the following formula, or score, (double Q's x 10) + speed points. Example: 1,100 speed points + (40 Double Q's x 10) would equal a score of 1,500 points. This formula is used to announce the Top MACH dog for the year, to elect top dogs to be invited to the AKC Agility Invitational and to award special award of merit certificates to the top dogs for each breed annually. The lifetime statistics will continue to be ranked by Title/Points/2Q's as in the past. An additional title may be earned by dogs competing in the FAST (Fifteen and Send Time) class in 2007. This new titling class became effective on January 1, 2007 and may be held at a club's option.

—Sharon Anderson, AKC Agility Director
