TRACKING LIFETIME ACHIEVEMENT TITLE APPLICATION

INSTRUCTIONS: *This form is used for anyone applying for a Tracking Lifetime Achievement title as listed in the AKC Tracking Regulations. Upon passing an additional tracking test at the same level, after a dog has earned the test level title, a Lifetime Achievement title may be requested by completing this application and submitting it with the appropriate fee. One title will be recorded per application and the certificate will be sent to the recorded owner.*

Once processed, the test level title will be followed by the highest numeric designation at the time of the application to identify the number of times the dog has passed that test level (example: TD5, TDU4, TDX3, VST2, etc.) unless otherwise requested and will appear on the dog's pedigree. Requests for recognition are available backdated to January 1, 2000. Applications with the appropriate fee must be mailed. Questions may be sent to the contact listed above.

Please note: *Event superintendents/trial secretaries may, but are not required to, print the Tracking Lifetime Achievement titles in event catalogs.*
