

Sunday's Tracks

Track #5

Judge – Ray Desmarais

Was initially run by female Maltese CT Joy's Pixey Girl UD RE. She worked the start for a bit before heading off in the wrong direction. Once brought back to the track the dog negotiated 25 yards of the first leg and the handler threw down an article and abandoned the track. After consulting with my co-judge we moved the start article up just past where the Maltese stopped and called the Alternate to the line.

Judge – Joe Hamzy

Went to a Maltese bitch, Pixie, and handler Carol Kollander. Tracklayer was Tim Tyree. This team went the wrong way at the start. When brought back the dog was not able to start. Carol picked up Pixie and the track was abandoned. Because there was enough length left in both the first leg and overall track, the track was made available to the first alternate available.
